It's the moment you start talking to TaylorWest

The importance of **shading**

Keep that heat, light and glare out of your residents face with our durable range of made-to-measure curtains, using blackout or dim-out and light reflective fabrics to complement. Or for a versatile shading solution, you can choose from our robust range of blinds, including roman and venetian. We have a solution to any problem your residents may have!

The importance of **flooring**

Flooring is more than a functional requirement it's an integral part of your environment. Make your residents feel at home, by giving them the comfort they deserve...

- Hard wearing flooring ranges, for communal areas or bedrooms.
- Easy to clean, slip-resistant floors, for bathroom and kitchen areas.
- Entrance matting, to prevent dirt from spreading too far.

The importance of **acoustics**

Make your home a more pleasant place for your residents to relax in by controlling excessive noise with our revolutionary HushTex. Whilst at the same time transforming your surroundings with our wide range of colours and styles to complement any interior.

The importance of **cleaning**

Keep those safety floors slip-resistant, with our wide range of cleaning machines and liquids. With years of experience in the flooring sector, we have developed a fantastic range of floor cleaning solutions to effectively clean all floor types, and we also offer cleaning advice on products best suited to your floors.
